

mikiHouse Cup Special Program International Friendship Sailing Experience Event Summary

We are holding this sailing experience event for the foreign friends who are staying in Japan, on the occasion of "Junior Yacht International Goodwill Regatta 2014" that will take place on 5th (Sun) October at Tokyo Metropolitan Wakasu Yacht Training Center. We hope that the foreign friends living in Japan can also enjoy the sea of Tokyo Bay and the sailing on the yacht, even if they have no prior experience in yacht sailing.

Our skillful member sailors of Tokyo Metropolitan Yachting Federation will give you short lecture about sailing beforehand and then ride on the sailing boats together with you and offer the enjoyable sailing experience on the sea.

We would like to stir up your feelings as "I want to start sailing a yacht !
I want to continue sailing !" through this experience of splendid sailing and watching the scene of an exciting regatta.

You will be most welcome as a member in one of the yacht clubs acting in Tokyo Metropolitan Wakasu Yacht Training Center if you want to do sailing activity here.

We are very much grateful if Tokyo Metropolitan Wakasu Yacht Training Center is activated through the international exchange between a lot of foreign friends and Japanese sailors here.
